'GNOME Books' Promises User-Friendly eBook App for Desktop Users | OMG ! Ubuntu !
[▷http://www.omgubuntu.co.uk/2014/04/gnome-ebook-desktop-application](http://www.omgubuntu.co.uk/2014/04/gnome-ebook-desktop-application)

The app, tentatively titled 'GNOME Books', will be based off of the GNOME Documents application codebase and is being developed as part of this year's Google Summer of Code (GSoC).
